Zero Fatalities[®]

Safety Summit

BECOME A SPONSOR!

Utah continues to pave the way for improved traffic safety through the success of the Zero Fatalities Safety Summit, which will be held on April 28-29, 2025 at the Mountain America Expo Center in Sandy, Utah. We are looking for sponsors to help make this conference a success. We truly would not be able to hold such an important event without sponsors like you. We appreciate your consideration in sponsoring the 2025 Summit and hope to work with you.

The Summit brings safety officials and advocates together to share ideas, opportunities, and accomplishments in improving safety throughout our state. It is designed to foster discussion and interaction between presenters and participants on a variety of topics, including engineering solutions, Strategic Highway Safety planning, data, driver education and school programs, occupant protection, vulnerable users, teen driving, impaired driving, distracted driving, speed management, enforcement opportunities, and numerous others.

Those who sponsor this Summit invest in saving lives, and we are dedicated to honoring those who have chosen to do so. Each level of sponsorship has a unique set of benefits that we encourage our sponsors to take advantage of. Thank you for your consideration and support of the Zero Fatalities Safety Summit. Together, we can make this conference a catalyst for safe driving in Utah.
